

First Name: JASON From (optional): Greenville IL.

Surgery Date: 01/25/2010 Weight Loss (number of pounds): 230 lbs.

Improvements in health (i.e. off blood pressure medications, no longer diabetic, etc.): Legs and ankles do not swell. Able to perform strenuous activity without getting short of breath. Joint pain lessened.

1. What was your motivation to pursue surgery?

To be able get my hip replacement surgery. To be able to enjoy life with my family and not be a burden to them.

2. What were your goals at the start of the program/process?

Be able to take my family to Six Flags. Be able to walk/jog after hip surgery. Be able to take my family out and not worry about seating. Go on vacation

3. What are your biggest accomplishments?

Work out 4 hrs a day. Was able to take my family to Six Flags and ride rides. Went on vacation with wife. Able to jog 2.5 miles a day. Joined the fire department

4. What message would you give to someone just starting out in the program/process?

Follow the guidance by the bariatric team. Stay focused and keep your head up. Prepare yourself, friends, and family for the life style changes.

5. How is life different now compared to life prior to your experience with Memorial Bariatric Services?

Thanks to the memorial bariatric team I am finally able to enjoy my life. The team saved my life and I can't thank them enough!
